

L2 B2 Port Protection

- L2 B2 Port Protection, Port Protection, Alaska
99927

Property Description

Grab yourself a true piece of remote Alaskan paradise with this waterfront property in the remote & amazing Port Protection. With 225.49 ft waterfront, 1.66 acres & incredible views - this is the ideal spot to fully enjoy & live your Alaskan dream! Port Protection is an idyllic location, and has been featured on TV. It is the perfect hideaway & far removed from the rest of the world. There is a lovely small community there with boardwalk access through the village, there are no roads in Port Protection. The boardwalk does not extend to this property, access is currently by a skiff up the beach. There are no cars here, just ATVs or boats! Access is by boat or float plane. Port Protection is a very remote location and more time is needed to plan a viewing to this area.
